Market Location

The 2024 Uptown Marion Market is being planned entirely on 7th Avenue. This year City Square Park will undergo construction of the Central Plaza along with updates to the Depot. Construction will impact all areas of the park at some point. Phasing of the project has not been determined as of January 2024. We will work to utilize parts of the green space for programming if /when it's available but will not make plans to place vendors in that area.

More details and map coming soon.

Stall Fees

One stall per vendor. Stall assignments will be made and communicated by April 26. Some stalls will include vehicle space. Vendors requesting vehicle space will be required to give vehicle and/or trailer size on the application and provide explanation. Every effort will be made to accommodate vehicles, but first priority will be given to produce vendors. All other stalls will have easy, drive up and unload access. Anyone requesting early access should do so on the application. Parking will be made available for vendors at City Hall (1225 6th Ave) or the former library site if it's available. You are also welcome to locate elsewhere.

The Uptown Marion Market continues to be a lease only market, which means vendors must commit to all three market dates. All vendors will be assigned a specific stall number for the entire season.

- Completed, accurate application (including submission of any requested pictures)

Sales Reporting

In 2024 we will initiate sales reporting through the Marketspread system. This is solely for the purpose of being able to track the economic impact this event has in the area, as well as a tool to measure the effectiveness of marketing and promotion over time.

This event is made possible through the generous support of sponsorship dollars as well as funding from the City of Marion Hotel/Motel Grant Fund. Being able to provide quantitative results will help secure future funding to continue the event.

Vendors will be prompted via email following each event with a direct link to sales reporting.

Attn Produce Vendors:

Power of Produce

Power of Produce will return in 2024! We will once again partner with our local Iowa State Extension office for the program.

A program of The Farmers Market Coalition which is a non-profit organization that is dedicated to strengthening farmers markets across the nation, The Power of Produce (POP) Club provides a fun opportunity for children to engage in the local food system through conversations directly with farmers, educational games and

demonstrations, and exposure to new fruits and vegetables. In addition to participating in educational activities, POP Club kids receive vouchers to spend at the market, allowing them to make their own shopping decisions at the market or choose to save until the following market to purchase a larger quantity (financial literacy).

Vision and Goals

The Power of Produce Club Program is made up of three main components and goals:

- Support healthy food choices, food awareness and a healthy lifestyle through educational activities at each market.
- Encourage children to try new, healthy foods through the Two-Bite Club
- Give children market currency to spend on fresh produce each time they attend the farmers market

How It Works

The Farmers Market Coalition provides all customizable materials and programming for POP. Children will need to be registered by a parent/guardian and agree to terms of participating in the program. Each child will receive a POP Passport with pre-post surveys and space for them to record the activities they participate in from month to month. Passports stay on site with market staff from month to month.

Registered children can then participate in the Make Food Fun monthly activities.

Children will receive \$3 Pop Bucks to shop at participating produce vendors, identified with signage at their stall. Bucks are only able to be used on fruits and vegetables. They can decide to use today or save until next month, part of the financial literacy piece.

Participating produce vendors will turn in any Pop Bucks collected at the conclusion of each market to be reimbursed via check.

Vendors can determine what \$3 of product looks like at their booth. Generally speaking, if you accept WIC or Senior FMNP checks you can follow those same product amount guidelines.

A prize incentive can be given to children who complete the program at each of the four markets.

Participating produce vendors agree to accept the POP Bucks given to each child as a \$3 currency at your booth. You will then be reimbursed by the Marion Chamber at the conclusion of each market.
