## **Uptown Marion Market Hours of Operation**

Uptown Marion Market is the 2<sup>nd</sup> Saturday each month – June, July and August. Last Saturday in Sept.

### **Dates**

June 11

July 9

August 13

September 24 Fall Marion Market

### **Hours**

8:00 – Noon

### **Location**

7<sup>th</sup> Avenue, City Square Park in Uptown Marion

## **Market Location and Construction Update**

Phase 1 of the 7<sup>th</sup> Avenue Streetscape project has been completed and included the rebuild of 7<sup>th</sup> Avenue creating a more pedestrian friendly area and the ability to have a festival-like atmosphere between the park and businesses when the street is closed. Phase 2 and 3 of the project will begin in 2022 and will be centered along and to the west of 10<sup>th</sup> St. There will be some impacts to the park including the sidewalk along the entire west side. The Broad & Main project will continue on the east side of City Square Park and is utilizing that parking lot as a staging area.

The goal is to continue to work toward our traditional location that utilizes City Square Park, knowing we will need to continue to be flexible as the park and adjacent plaza area are transformed.

We are planning to close and utilize 7<sup>th</sup> Avenue for the market between 10<sup>th</sup> and 12<sup>th</sup> Streets. This will also give us an opportunity to place programming and some vendors in the park as needed. The first priority for vendor placement will be on-street.

More details and map coming soon.

## Stall Fees

One stall per vendor. Stall assignments will be made and communicated by April 29. Some stalls will include vehicle space. Vendors requesting vehicle space will be required to give vehicle and/or trailer size on the application and provide explanation. Every effort will be made to accommodate vehicles, but first priority will be given to produce vendors. All other stalls will have easy, drive up and unload access. Anyone requesting early access should do so on the application. Parking will be made available for vendors at City Hall (1225 6<sup>th</sup> Ave) or you are welcome to locate elsewhere.

The Uptown Marion Market continues to be a lease only market, which means vendors must commit to all three market dates. All vendors will be assigned a specific stall number for the entire season.

## Acceptance Into The Market

Applications for booth space at the Uptown Marion Markets are reviewed beginning in March.

Email notifications will be sent to vendors who have been accepted to participate in this year's Farmers Market. Vendors who do not receive a notification by mid-April should check their status in their Farmspread account.

### Approval Process

Selection of vendors is at the sole discretion of the Marion Chamber and is based on the type of product, quality of product, positive market experience and submission of required photos. Vendors with like products will be considered but will be limited depending on product offering.

Vendors will NOT be allowed to add or change products after the application process is complete, or throughout the duration of the market season, without prior approval from Market staff.

Vendors are selected based on a variety of factors. The selection committee considers the following criteria when reviewing vendors:

- Type of product
- Quality of product
- Previous market experience
- Completed, accurate application (including submission of any requested pictures)

## Payment

Payment will be due within ten (10) business days of the vendor receiving notification of acceptance from the Marion Chamber of Commerce into this year's Market.

## **Attn Produce Vendors: Power of Produce**

Power of Produce will return in 2022! We will once again partner with our local Iowa State Extension office for the program.

A program of The Farmers Market Coalition which is a non-profit organization that is dedicated to strengthening farmers markets across the nation, The Power of Produce (POP) Club provides a fun opportunity for children to engage in the local food system through conversations directly with farmers, educational games and demonstrations, and exposure to new fruits and vegetables. In addition to participating in educational activities, POP Club kids receive vouchers to spend at the market, allowing them to make their own shopping decisions at the market or choose to save until the following market to purchase a larger quantity (financial literacy).

### **Vision and Goals**

The Power of Produce Club Program is made up of three main components and goals:

- Support healthy food choices, food awareness and a healthy lifestyle through educational activities at each market.
- Encourage children to try new, healthy foods through the Two-Bite Club
- Give children market currency to spend on fresh produce each time they attend the farmers market

### **How It Works**

The Farmers Market Coalition provides all customizable materials and programming for POP. Children will need to be registered by a parent/guardian and agree to terms of participating in the program. Each child will receive a POP Passport with pre-post surveys and space for them to record the activities they participate in from month to month. Passports stay on site with market staff from month to month.

Registered children can then participate in the Make Food Fun monthly activities.

Children will receive \$3 Pop Bucks to shop at participating produce vendors, identified with signage at their stall. Bucks are only able to be used on fruits and vegetables. They can decide to use today or save until next month, part of the financial literacy piece.

Participating produce vendors will turn in any Pop Bucks collected at the conclusion of each market to be reimbursed via check.

Vendors can determine what \$3 of product looks like at their booth. Generally speaking, if you accept WIC or Senior FMNP checks you can follow those same product amount guidelines.

A prize incentive can be given to children who complete the program at each of the four markets.

As a produce vendor your commitment would be to agree to accept the POP Bucks given to each child as a \$3 currency at your booth. You will then be reimbursed by the Marion Chamber at the conclusion of each market.

## Vendor and Product Definitions

### Vendor Definition

There shall be one Vendor allowed to sign this lease contract. This is one person (and may include his/her immediate family in household) who makes the decisions and does the work involved with the production of all products offered for the sale at Vendors' booth. If a Vendor is in partnership with another person, a legal binding document stating the partnership must be presented to the Marion Chamber of Commerce before the lease application will be approved.

### Approved Market Products
