Dear Vendor,

Thank you for the hard work you do in feeding our community and providing locally crafted goods! We are glad to have you as part of our market and want to continue to provide our community with fresh, local options for food and products.

Like the 2020 season, this year's Uptown Marion Market will see changes. We will continue to navigate public health measures to keep the market a safe and healthy event. In addition, the progress that will be seen in Marion this year will require an alternate location for the market. Construction projects that are already underway or anticipated to begin this spring include: the new Marion Public Library, Broad & Main (Marion Square Plaza project), revitalization of the damaged Depot in City Square Park, and the 7<sup>th</sup> Avenue Streetscape. Our decision to keep the market in Uptown Marion will be crucial in attracting people to the district while these projects take place.

As we begin planning our second market season during COVID-19 we will continue to practice the public health measures put in place in 2020 that allowed us to complete a successful market season. This will continue to include things such as added signage, social distancing, vendor stall distancing, and sanitizing practices to ensure our market is a safe and healthy place for all our vendors, customers, and market staff.

Guidelines continue to evolve as the Governor updates proclamations and direction is provided by the Iowa Department of Agriculture, Iowa Department of Public Health, Iowa Department of Inspections and Appeals, and Iowa State University. As these are updated and changed, we will adjust to our plan as required.

In this guide you will find many of the same market procedures we implemented in 2020 as well as best practices and recommendations for maintaining a safe and clean booth.

We look forward to welcoming you back in June!

If you have any questions, concerns, or suggestions, please feel free to reach out.  
Thank you!

~Tami & Jill

Uptown Marion Market is the 2<sup>nd</sup> Saturday each month – June, July and August.

## Dates

June 12

July 10

August 14

## Hours

8:00 – Noon

## Location

City of Marion parking lot at the corner of 8<sup>th</sup> Avenue and 12<sup>th</sup> Street

## New Market Location

Uptown Marion will see a flurry of construction projects in 2021 which has required the location of Uptown Marion Market to relocate. Construction projects that are already underway or anticipated to begin this spring include: the new Marion Public Library, Broad & Main (Marion Square Plaza project), revitalization of the damaged Depot in City Square Park, and the 7<sup>th</sup> Avenue Streetscape. As an economic development organization, our decision to keep the market in Uptown Marion will be critical in attracting people to the district while these projects take place.

The new location is in the City of Marion parking lot at the corner of 8<sup>th</sup> Avenue and 12<sup>th</sup> Street. This location also allows the market to comply with any requirements set forth in Governor Reynolds and guidance provided by IDPH, IDALS, IDIA, and ISU.

Vendors will be placed with vehicles in the parking lot to create a concentric market experience.

The below map is provided to give you an idea of what this will look like and not to scale.

## Stall Fees

One stall per vendor. Stall assignments will be made and communicated by May 21. All stalls include space for vehicle. Vendors will be required to give vehicle and/or trailer size on the application. Every effort will be made to accommodate trailers or vendor will be allowed early access to unload and relocate.

The Uptown Marion Market continues to be a lease only market, which means vendors must commit to all three market dates. All vendors will be assigned a specific stall number for the entire season.

### Uptown Marion Market Stall Fees for 2021 Season

Stall Details	Stall Size	Description	Stall Fees
*Stall w/vehicle	~ 18 wide x 18 deep with vehicle	Stall is adjacent to vehicle in market footprint	\$90

### Uptown Marion Market Single Date Stall Fees

Please Note: Priority will be given to full-season vendors. Consideration will be made for single date participation, if space allows.

Stall Details	Stall Size	Description	Stall Fees
*Stall w/ vehicle	~ 18 wide x 18 deep with vehicle	Stall is adjacent to vehicle in market footprint	\$30

**\*Stall sizes are approximate and vary. All will accommodate a 10x10 tent or booth in addition to the space for a standard sized vehicle.**

## Fines

The Marion Chamber of Commerce reserves the right to impose additional fines as necessary. A no show fine of \$50 will be enforced if Marion Chamber staff is not notified of a vendors absence by noon on the Wednesday prior a market date. Vendor participation in future markets will be prohibited until the \$50 fee is paid.

## Acceptance Into The Market

Applications for booth space at the Uptown Marion Markets are reviewed beginning in March.

Email notifications will be sent to vendors who have been accepted to participate in this year's Farmers Market. Vendors who do not receive a notification by mid-April should check their status in their Farmspread account.

### Approval Process

Selection of vendors is at the sole discretion of the Marion Chamber and is based on the type of product, quality of product, positive market experience and submission of required photos. Vendors with like products will be considered but will be limited depending on product offering.

Vendors will NOT be allowed to add or change products after the application process is complete, or throughout the duration of the market season, without prior approval from Market staff.

Vendors are selected based on a variety of factors. The selection committee considers the following criteria when reviewing vendors:

- Type of product
- Quality of product
- Previous market experience
- Completed, accurate application (including submission of any requested pictures)

## Payment

Payment will be due within ten (10) business days of the vendor receiving notification of acceptance from the Marion Chamber of Commerce into this year's Market.

Failure to pay by requested deadlines may result in terminating your participation in this year's Market.

Payment for stall rentals can be made in the following ways\*\*:

- **PERFERRED METHOD** Online Payment – You will receive a link to pay online with your invoice
- Credit Card – by phone (319-360-4407). Cards accepted are Visa, Master Card, Discover or American Express.
- Check – Payable to Marion Chamber of Commerce, by mail (1225 6<sup>th</sup> Ave, Ste 100, Marion, IA 52302). Checks returned due to insufficient funds will be assessed a \$25 fee per check and no future checks will be accepted from that vendor. Please allow extra time for mail due to COVID-19.

Any previous account balances, including fees for insufficient funds, shall be paid prior to renting future space.

**\*\*Please note we are not currently accepting cash or in-person payment. Paying via credit card over the phone is the ideal method of payment.**

NO REFUNDS WILL BE ISSUED FOR ANY REASON

## **Attn Produce Vendors: Power of Produce**

In 2021 we will partner with our local Iowa State Extension office to launch Power of Produce at Uptown Marion Market!

A program of The Farmers Market Coalition which is a non-profit organization that is dedicated to strengthening farmers markets across the nation, The Power of Produce (POP) Club provides a fun opportunity for children to engage in the local food system through conversations directly with farmers, educational games and demonstrations, and exposure to new fruits and vegetables. In addition to participating in educational activities, POP Club kids receive vouchers to spend at the market, allowing them to make their own shopping decisions at the market or choose to save until the following market to purchase a larger quantity (financial literacy).

### **Vision and Goals**

The Power of Produce Club Program is made up of three main components and goals:

- Support healthy food choices, food awareness and a healthy lifestyle through educational activities at each market.
- Encourage children to try new, healthy foods through the Two-Bite Club
- Give children market currency to spend on fresh produce each time they attend the farmers market

### **2021 Goals at Uptown Marion Market**

- Introduce POP Program to parents and children
  - Limited to ages 5-12, with parent permission
- POP Bucks roll-out
  - \$3 each based on feedback from produce vendors in 2018
- Make Food Fun - provide one programming/educational activity at each farmers market, may include activities like:
  - Plant a tomato
  - Scavenger Hunt
  - Guess the Veggie
  - Cooking Demo/instruction
- Engage families that are attending market and attract new families
- Evaluate using POP Club Passport and Booklets
  - Track attendance, return rate, age, and collect metrics on how many kids are trying new foods, what they are choosing to purchase, etc.

## How It Works

The Farmers Market Coalition provides all customizable materials and programming for POP. Children will need to be registered by a parent/guardian and agree to terms of participating in the program. Each child will receive a POP Passport with pre-post surveys and space for them to record the activities they participate in from month to month. Passports stay on site with market staff from month to month.

Registered children can then participate in the Make Food Fun monthly activities.

Children will receive \$3 Pop Bucks to shop at participating produce vendors, identified with signage at their stall. Bucks are only able to be used on fruits and vegetables. They can decide to use today or save until next month, part of the financial literacy piece.

Participating produce vendors will turn in any Pop Bucks collected at the conclusion of each market to be reimbursed via check.

Vendors can determine what \$3 of product looks like at their booth. Generally speaking, if you accept WIC or Senior FMNP checks you can follow those same product amount guidelines.

A prize incentive can be given to children who complete the program at each of the four markets.

**As a produce vendor your commitment would be to agree to accept the POP Bucks given to each child as a \$3 currency at your booth. You will then be reimbursed by the Marion Chamber at the conclusion of each market.**

## Vendor and Product Definitions

### Vendor Definition

There shall be one Vendor allowed to sign this lease contract. This is one person (and may include his/her immediate family in household) who makes the decisions and does the work involved with the production of all products offered for the sale at Vendors' booth. If a Vendor is in partnership with another person, a legal binding document stating the partnership must be presented to the Marion Chamber of Commerce before the lease application will be approved.

### Approved Market Products

100% of the items offered for sale by the Vendor must have been grown or baked by the Vendor in his/her garden, farm, home or plant. Items offered for sale may not be acquired from others for resale or consignment. Vendor must possess necessary permits or certificates for those items requiring such. Vendor is responsible for compliance with all state, federal and local laws regarding vendor and labeling of merchandise.

Exception #2 – a Vendor who is a member of a non-profit group may sell that group's money raiser in his/her booth using a small amount of space as long as all of the money goes back to the non-profit group.

Items that may be sold are fresh fruits and vegetables, baked goods (except soft pies and custards) homemade jams and jellies, honey, flowers, plants, meat, wines. Vendors must possess necessary permits or certificates to sell some items including meat, poultry, dairy products, salsa, etc. Contact the Linn County Health Department at 319-892-6000 for regulations.

To ensure public safety, food (bread, prepared food, pies, etc.) must be completely protected from contamination by being wrapped, covered, bagged and/or boxed.

Vendors will be allowed to sell craft items. These items must also be made, manufactured and put together by the vendors themselves. Items may not be purchased and resold as homemade. Vendors selling products other than their own will be removed from the market.

### Labeling

To protect the public, all food must be labeled with the common name of the food and the name and address of the person who prepared the food. Allergen information needs to be declared on the label or by the use of a placard at the vendor booth. The following food products are considered major allergens: peanuts, soybeans, milk, eggs, fish, crustacean (crab, lobster or shrimp), nuts and wheat. Treats for animals must be labeled as such.

## Coivd-19 Protocols

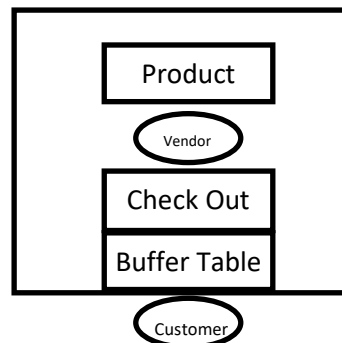

In order to help reduce the spread of COVID-19, vendors will be expected to follow current public health guidelines and the following market protocols. Adherence to these protocols is required and failure to do so will affect future applications into the market:

- DO NOT come to the market if you have had a fever in the last three days, been ill, or if you are visibly showing signs of illness (i.e. coughing and sneezing), or if you have had contact with a person who has tested positive for COVID-19. Please let the market manger know as soon as possible if you will not be at the market, call Tami at 319-360-4407.
- Vendors will be required to wear face masks that cover the mouth and nose
- Provide your own handwashing station and/or hand sanitizer
- We realize SAMPLING is in important part of vendor success. If you choose to sample, you should safely place the sample in a small container for each customer eliminating any self-serving by customers.
- Set up your booth how you are most comfortable interacting with customers, add signage to clearly communicate any directions. This may include:
  - Creating a “clean zone” with extra empty tables or by stretching a rope between the front poles of your tent
  - Chalk marks every 6 ft in front of booths to remind about distancing
- Reduce money handling- only one person should be handling money (wear gloves when handling money) and promote touchless pay options.
- Clean surfaces frequently
